2023 Business Report

Looking back at the international economic situation in 2023, due to the impact of US interest rate hikes, inflation and geopolitics, the overall economic environment is on the downside. Consumer electronic products are still at the stage of de-inventorying, and branded customers have postponed the release of new models. As a result of the above factors, the Company revenue for FY2023 is NT\$3.86 billion, a decrease of 24% as compared to FY2022, and the following is the report of the Company's operation status for FY2023.

The Company focuses on the provision of design solutions for intelligent electronic peripheral products and product manufacturing, and continues to develop its core businesses of plastic molding and tooling development in parallel, giving full play to its advantage of supply chain integration. The Company has a complete research and development team, one-stop advanced production technology and services to provide customers with forward-looking products, including gaming headsets, commercial headsets, true wireless headsets, security control devices and mobile phone joysticks, etc. In the plastic molding and mold business, the Company has continuously invested in the renewal of equipment, automation and intelligent renovation in order to provide customers with faster and better service solutions. The Company has always been pursuing the spirit of "Innovation, Efficiency, and Social Responsibility", striving for business development and creating more shareholders' value in the midst of stability.

In terms of operating results, the Company's consolidated net operating income for FY2023 was NT\$3,861,301 thousand, a decrease of NT\$1,190,670 thousand from FY2022's NT\$5,051,971 thousand; the consolidated after-tax net loss attributable to the Company was NT\$6,817 thousand, a decrease of NT\$80,147 thousand from the FY2022's net income of NT\$73,330 thousand; and the consolidated net loss attributable to the Company was NT\$6,817 thousand, a decrease of NT\$80, 147 thousand from the FY2022's net income of NT\$73,330 thousand. 147 thousand, and surplus earnings per share of NT\$-0.05 for FY2023.

In terms of research and development and production, we continue to invest in relevant research and development and production equipment, so that the company's relevant equipment can be aligned with the research and development and production needs of international customers. The Company also integrates upstream and downstream with leading international technology companies, and actively strengthens its R&D capabilities and expands its base of international cooperation through solid strategic partnerships. We will seamlessly connect our technology with the needs of consumers.

In terms of information security, the Company has actively invested in information security system protection by implementing ISO/IEC 27001, and has completed the renewal of the international certification of the relevant information security system in November 2023, which is ahead of its competitors and in line with the requirements of the world's leading brands of information security systems.

This year, most of the customers' inventories have been depleted, and it is expected that the shipment momentum will return to normal, and new customers and new models are also completing product development and introduction of mass production and shipment, which will contribute to the Company's revenue. In line with the gradual recovery of sales momentum in the market, the Company has achieved excellent performance in talent training, R&D innovation, cost control, improvement of manufacturing process and operational efficiency, and introduction of new customers. The Company's close teamwork and dedication to detailed improvements are also the greatest driving force for our continuous growth.

Looking ahead to 2024, under the topic of ESG sustainability, the Company has completed the carbon inventory of the Taipei head office in 2023 and issued the 2022 Taipei head office sustainability report. The scope of the 2023 sustainability report will be expanded to include overseas subsidiaries, in order to meet the international ESG sustainability standards, and there will be opportunities to obtain more orders from internationally renowned brands in the future. With new customers and new products, the Company's results are expected to grow in FY2024 as compared to FY2023. The Company's management team and all staff will continue to provide the best quality products and services to customers. With the concept of sustainable management and the spirit of innovation and change, we create maximum profits for our shareholders and the society. We look forward to the support, encouragement and advice of our shareholders and friends, so that we can continue to grow. Thank you.

Audit Report of Independent Auditors and Financial Reports

The Board of Directors and Shareholders AMPACS Corporation

Opinion

We have audited the accompanying consolidated financial statements of AMPACS Corporation (the "Company") and its subsidiaries (collectively referred to as the "Group"), which comprise the consolidated balance sheets as of December 31, 2023 and 2022, and the consolidated statements of comprehensive income, changes in equity and cash flows for the years then ended, and notes to the consolidated financial statements, including material accounting policy information (collectively referred to as the "consolidated financial statements")

In our opinion, based on our audits and the report of other auditors (refer to the other matter paragraph), the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the Group as of December 31, 2023 and 2022, and its consolidated financial performance and its consolidated cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, and International Financial Reporting Standards (IFRS), International Accounting Standards (IAS), IFRIC Interpretations (IFRIC), and SIC Interpretations (SIC) endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements for the year ended December 31, 2023. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter of the Group's consolidated financial statements for the year ended December 31, 2023 is described as follows:

The Occurrence of Sales Revenue

The sales revenue of the Group mainly comes from consumer electronics products and plastic components used in network communication products, and its changes mainly come from certain clients and products. Because certain sales revenue has a significant impact on financial performance, the occurrence of sales revenue from certain clients and products of AMPACS Group is considered as a key audit matter of the Group's consolidated financial statements for the year ended December 31, 2023.

Our audit procedures performed in respect of the above key audit matter included the following:

- 1. We obtained an understanding of the internal control systems and operating procedures related to sales transaction processes, evaluated the design and implementation of relevant internal controls and performed internal control testing to obtain sufficient and appropriate audit evidence on the effectiveness of relevant control implementation.
- 2. We determined the appropriate methods of sampling and sample sizes, audited external and internal vouchers to support the fact of shipments, and we confirmed the actual occurrence of certain sales revenue transactions.
- 3. We inspected the cash receipt records and vouchers. We evaluated the amounts entered into the accounts and confirmed that the recipients of the remittances were consistent with the recipients of the shipments to prove the occurrence of the sales transaction.

Other Matter

We did not audit the financial statements of Ability Technologies Co., Ltd., an associate included in the consolidated financial statements of the Group, but such statements were audited by other auditors. Our opinion, insofar as it relates to the investments accounted for using the equity method, is based solely on the reports of other auditors. The investments accounted for using the equity method were NT\$0 and NT\$14,968 thousand as of December 31,2023 and 2022, representing 0% and 0.18% of the consolidated total assets, respectively. The Group's share of profit of associate accounted for using the equity method was NT\$(2,383) and NT\$(4,442) thousand for the year then ended, representing 3.66% and (3.64%) of the consolidated total comprehensive income and loss, respectively.

We have also audited the parent company only financial statements as of and for the years ended December 31, 2023 and 2022 on which we have issued an unmodified opinion with other matter paragraph.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Group's financial reporting process.

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Group's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Group to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision, and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated financial statements for the year ended December 31, 2023 and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Chun-Yu Wang and Ming-Hsien Liu.

The Board of Directors and Shareholders AMPACS Corporation

Opinion

We have audited the accompanying parent company only financial statements of AMPACS Corporation, which comprise the parent company only balance sheets as of December 31, 2023 and 2022, and the parent company only statements of comprehensive income or loss, parent company only statements of changes in equity and parent company only statements of cash flows for the years then ended, and the notes to the parent company only financial statements, including material accounting policies information (collectively referred to as the "parent company only financial statements").

In our opinion, based on our audits and the report of other auditors (refer to the other matter paragraph), the accompanying parent company only financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2023 and 2022, and its financial performance and its cash flows for the years then ended in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers.

Basis for Opinion

We conducted our audits in accordance with the Regulations Governing Financial Statement Audit and Attestation Engagements of Certified Public Accountants and the Standards on Auditing of the Republic of China. Our responsibilities under those standards are further described in the Auditors' Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group in accordance with The Norm of Professional Ethics for Certified Public Accountant of the Republic of China, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the parent company only financial statements for the year ended December 31, 2023. These matters were addressed in the context of our audit of the parent company only financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

The key audit matter of the parent company only financial statements for the year ended December 31, 2023 is described as follows:

The Occurrence of Sales Revenue

The sales revenue of the Ampacs Corporation mainly comes from consumer electronics products and plastic components used in network communication products, and its changes mainly come from certain clients and products. Because certain sales revenue has a significant impact on financial performance, the occurrence of sales revenue from certain clients and products of AMPACS Group is considered as a key audit matter of the Group's consolidated financial statements for the year ended December 31, 2023.

Our audit procedures performed in respect of the above key audit matter included the following:

- 1. We obtained an understanding of the internal control systems and operating procedures related to sales transaction processes, evaluated the design and implementation of relevant internal controls and performed internal control testing to obtain sufficient and appropriate audit evidence on the effectiveness of relevant control implementation.
- 2. We determined the appropriate methods of sampling and sample sizes, audited external and internal vouchers to support the fact of shipments, and we confirmed the actual occurrence of certain sales revenue transactions.
- 3. We inspected the cash receipt records and vouchers. We evaluated the amounts entered into the accounts and confirmed that the recipients of the remittances were consistent with the recipients of the shipments to prove the occurrence of the sales transaction.

Other Matter

We did not audit the financial statements of Ability Technologies Co., Ltd., an associate included in the parent company only financial statements, but such statements were audited by other auditors. Our opinion, insofar as it relates to the investments accounted for using the equity method, is based solely on the reports of other auditors. The investments accounted for using the equity method were NT\$0 and NT\$14,968 thousand as of December 31,2023 and 2022, representing 0% and 0.24% of the total assets, respectively. The Group's share of profit of associate accounted for using the equity method was NT\$(2,383) and NT\$(4,442) thousand for the year then ended, representing 3.76% and (3.67%) of the total comprehensive income and loss, respectively.

Responsibilities of Management and Those Charged with Governance for the Parent Company Only Financial Statements

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with the Regulations Governing the Preparation of Financial Reports by Securities Issuers, IFRS, IAS, IFRIC, and SIC endorsed and issued into effect by the Financial Supervisory Commission of the Republic of China, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the Group's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Compamy or to cease operations, or has no realistic alternative but to do so.

Those charged with governance, including the audit committee, are responsible for overseeing the Company's financial reporting process.

Auditors' Responsibilities for the Audit of the Parent Company Only Financial Statements

Our objectives are to obtain reasonable assurance about whether the parent company only financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Standards on Auditing of the Republic of China will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these parent company only financial statements. As part of an audit in accordance with the Standards on Auditing of the Republic of China, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- 1. Identify and assess the risks of material misstatement of the parent company only financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- 2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control.
- 3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- 4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditors' report to the related disclosures in the parent company only financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditors' report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- 5. Evaluate the overall presentation, structure and content of the parent company only financial statements, including the disclosures, and whether the parent company only financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- 6. Obtain sufficient and appropriate audit evidence regarding the financial information of entities or business activities within the Company to express an opinion on the parent

company only financial statements. We are responsible for the direction, supervision, and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the parent company only financial statements for the year ended December 31, 2023, and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

The engagement partners on the audits resulting in this independent auditors' report are Chun-Yu Wang and Ming-Hsien Liu.

Ampacs Corporation

Rules of Procedure for Shareholders Meetings

- 5.1 Shareholders (or proxy) shall attend shareholders meetings based on attendance cards The number of shares shall be calculated based on the sign-in card. The Company shall furnish the attending shareholders or proxy (hereinafter referred to as shareholders) with an attendance book to sign, or attending shareholders may hand in a sign-in card in lieu of signing in. Shareholders shall attend shareholders meetings based on attendance cards, sign-in cards, or other certificates of attendance. Those with proxy forms shall also bring identification documents for verification. When the government or a juristic person is a shareholder, it may be represented by more than one representative at a shareholders meeting. When a juristic person is appointed to attend as a proxy, it may designate only one person to represent it in the meeting.
- 5.2 Voting at a shareholders meeting shall be calculated based on the number of shares.

When the Company holds a shareholder meeting, it shall adopt voting rights by electronic means and by correspondence. When voting rights are exercised by correspondence or electronic means, the method of exercise shall be specified in the shareholders meeting notice. A shareholder exercising voting rights by correspondence or electronic means will be deemed to have attended the meeting in person, but to have waived his/her rights with respect to the extraordinary motions and amendments to original proposals of that meeting; it is therefore advisable that the Company avoid the submission of extraordinary motions and amendments to original proposals.

A shareholder intending to exercise voting rights by correspondence or electronic means under the preceding paragraph shall deliver a written declaration of intent to the Company two days before the date of the shareholders meeting. When duplicate declarations of intent are delivered, the one received earliest shall prevail, except when a declaration is made to cancel the earlier declaration of intent.

After a shareholder has exercised voting rights by correspondence or electronic means, in the event the shareholder intends to attend the shareholders meeting in person or online, a written declaration of intent to retract the voting rights already exercised under the preceding paragraph shall be made known to the Company by the same means by which the voting rights were exercised, two business days before the date of the shareholders meeting. If the notice of retraction is submitted after that time, the voting rights already exercised by correspondence or electronic means shall prevail. When a shareholder has exercised voting rights both by correspondence or electronic means and by appointing a proxy to attend a shareholders meeting, the voting rights exercised by the proxy in the meeting shall prevail.

- 5.3 The venue for a shareholders meeting shall be the premises of the Company, or a place easily accessible to shareholders and suitable for a shareholders meeting. The meeting may begin no earlier than 9 a.m. and no later than 3 p.m.
- 5.4 If a shareholders meeting is convened by the board of directors, the meeting shall be chaired by the chairman of the board. When the chairman of the board is on leave or for any reason unable to exercise the powers of the chairman, the vice chairman shall act in place of the chairman; if there is no vice chairman or the vice chairman also is on leave or for any reason unable to exercise the powers of the vice chairman, the chairman shall appoint one of the managing directors to act as chairman. If there are no managing directors, one of the directors shall be appointed to act as chairman. Where the chairman does not make such a designation, the managing directors or the directors shall select from among themselves one person to serve as chairman. When a managing director or a director serves as chairman, as referred to in the preceding paragraph, the managing director or director shall be one who has held that position for six months or more and who understands the financial and business conditions of the company.

The same shall be true for a representative of a juristic person director that serves as chairman. It is advisable that shareholders meetings convened by the board of directors be chaired by the chairman of the board in person and attended by a majority of the directors, at least one supervisor in person, and at least one member of each functional committee on behalf of the committee. The attendance shall be recorded in the meeting minutes. If a shareholders meeting is convened by a party with the power to convene but other than the board of directors, the convening party shall chair the meeting. When there are two or more such convening parties, they shall mutually select a chairman from among themselves.

5.5 The Company may appoint its attorneys, certified public accountants, or

- related persons retained by it to attend a shareholders meeting and respond to relevant questions in a non-voting capacity.
- 5.6 The Company, beginning from the time it accepts shareholder attendance registrations, shall make an uninterrupted audio and video recording of the registration procedure, the proceedings of the shareholders meeting, and the voting and vote counting procedures. The recorded materials of the preceding paragraph shall be retained for at least one year. If, however, a shareholder files a lawsuit pursuant to Article 189 of the Company Act, the recording shall be retained until the conclusion of the litigation.

The Company shall specify in its shareholders meeting notices when attendance registrations for shareholders will be accepted, the place to register for attendance, and other matters for attention.

As stated in the preceding paragraph, the time during which shareholder attendance registrations will be accepted shall be at least 30 minutes prior to the time the meeting commences. The place at which attendance registrations are accepted shall be clearly marked and a sufficient number of suitable personnel assigned to handle the registrations.

- 5.7 The chairman shall call the meeting to order at the appointed meeting time. However, when the attending shareholders do not represent a majority of the total number of issued shares, the chairman may announce a postponement, provided that no more than two such postponements, for a combined total of no more than one hour, may be made. If the quorum is not met after two postponements as referred to in the preceding paragraph, but the attending shareholders represent one third or more of the total number of issued shares, a tentative resolution may be adopted pursuant to Article 175, paragraph 1 of the Company Act; all shareholders shall be notified of the tentative resolution. When, prior to the conclusion of the meeting, the attending shareholders represent a majority of the total number of issued shares, the chairman may resubmit the tentative resolution for a vote by the shareholders meeting pursuant to Article 174 of the Company Act.
- 5.8 If the board of directors convenes a shareholders meeting, the meeting agenda shall be set by the board of directors. Votes shall be cast on each separate proposal in the agenda (including extraordinary motions and amendments to the original proposals set out in the agenda). The meeting shall proceed in the order set by the agenda, which may not be changed without a resolution of the shareholders meeting. The agenda of a

shareholders' meeting shall be created by the Board of Directors with the proposal submitted by the Board of Directors to be dealt with on a prioritized basis during the meeting. When the above proposals are being discussed, the chairman of the meeting may determine if a shareholder's comments are related to the proposal in question. If the feedback or comments are not related to the proposal in question, discussion shall be continued at an extempore motion. A meeting shall be proceeded with in accordance with a predetermined agenda unless changed by the resolution of a shareholders' meeting. The chairman may not declare the meeting adjourned prior to completion of deliberation on the meeting agenda of the preceding two paragraphs (including extraordinary motions), except by a resolution of the shareholders meeting. After close of the said meeting, shareholders shall not elect another chairman to hold another meeting at the same place or at any other place. If the chairman declares the meeting adjourned in violation of the rules of procedure, the attending shareholders shall elect a new chairman by agreement of a majority of the votes represented by the attending shareholders, and then continue the meeting.

- 5.9 When a meeting is in progress, the chairman may announce a break based on time considerations. If a force majeure event occurs, the chairman may rule the meeting temporarily suspended and announce a time when the meeting will be resumed in view of the circumstances. Where it is impossible to continue proceeding with the meeting due to air-raid alarm or other causes, the meeting should be stopped immediately and the relevant personnel should be evacuated automatically. After the alarm stops for 1 hour, the meeting can continue. If the meeting venue is no longer available for continued use and not all of the items (including extraordinary motions) on the meeting agenda have been addressed, the shareholders meeting may adopt a resolution to resume the meeting at another venue. A resolution may be adopted at a shareholders meeting to defer or resume the meeting within five days in accordance with Article 182 of the Company Act.
- 5.10 Before speaking, an attending shareholder must specify on a speaker's slip the subject of the speech, his/her shareholder account number (or attendance card number), and account name. The order in which shareholders speak will be set by the chairman. A shareholder in attendance who has submitted a speaker's slip but does not actually speak shall be deemed to have not spoken. When the content of the speech does

not correspond to the subject given on the speaker's slip, the spoken content shall prevail. When an attending shareholder is speaking, other shareholders may not speak or interrupt unless they have sought and obtained the consent of the chairman and the shareholder that has the floor, the chairman shall stop any violation. When a juristic person shareholder appoints two or more representatives to attend a shareholders meeting, only one of the representatives so appointed may speak on the same proposal. After an attending shareholder has spoken, the chairman may respond in person or direct relevant personnel to respond.

- 5.11 Shareholders may raise questions regarding the reports given at the end of the announcement by the chairman or by the designated personnel. Except with the consent of the chairman, a shareholder may not speak more than twice on the same proposal, and a single speech may not exceed 5 minutes. The speech time and frequency of shareholders on the acceptance of resolution, each proposal, and motion is the same as the one in the preceding paragraph. The speech time and frequency of shareholders on the queries irrelevant to the proposals are the same as mentioned in the preceding paragraph. If the shareholder's speech violates the rules or exceeds the scope of the agenda item, the chairman may terminate the speech.
- 5.12 The chairman shall allow ample opportunity during the meeting for explanation and discussion of proposals and amendments or extraordinary motions put forward by the shareholders; when the chairman is of the opinion that a proposal has been discussed sufficiently to put it to a vote, the chairman may announce the discussion closed, call for a vote, and schedule sufficient time for voting.
- 5.13 Unless otherwise provided in the Company Act or the Articles of Incorporation of this Company, motions should be approved by more than half of the shareholders present. For directors election, Rules for Election of Directors apply. As for voting, if all shareholders present have no objection after the chairman's request, it will be deemed approved as voted for approval. As for objection, it shall be voted according to the relevant laws and regulations. With the exception of a trust enterprise or a shareholder services agent approved by the competent securities authority, when one person is concurrently appointed as a proxy by two or more shareholders, the voting rights represented by that proxy may not exceed three percent of the voting rights represented by the total number of issued shares. If that percentage is exceeded, the voting rights in excess of that

- percentage shall not be included in the calculation.
- 5.14 When there is an amendment or an alternative to a proposal, the chairman shall present the amended or alternative proposal together with the original proposal and decide the order in which they will be put to a vote. When any one among them is passed, the other proposals will then be deemed rejected, and no further voting shall be required.
- 5.15 Vote monitoring and counting personnel for the voting on a proposal shall be appointed by the chairman, provided that all monitoring personnel shall be shareholders of the Company. Vote counting for shareholders meeting proposals or elections shall be conducted in public at the place of the shareholders meeting. Immediately after vote counting has been completed, the results of the voting, including the statistical tallies of the numbers of votes, shall be announced on-site at the meeting, and a record made of the vote.
- 5.16 Matters relating to the resolutions of a shareholders meeting shall be recorded in the meeting minutes. The meeting minutes shall be signed or sealed by the chairman of the meeting and a copy distributed to each shareholder within 20 days after the conclusion of the meeting. The meeting minutes may be produced and distributed in electronic form. The Company may distribute the meeting minutes of the preceding paragraph by means of a public announcement made through the MOPS. The meeting minutes shall accurately record the year, month, day, and place of the meeting, the chairman's full name, the methods by which resolutions were adopted, and a summary of the deliberations and their voting results (including the number of voting rights), and disclose the number of voting rights won by each candidate in the event of an election of directors or supervisors. The minutes shall be retained for the duration of the existence of the Company.
- 5.17 Matters not regulated by the regulations shall be conducted in accordance with the Company Act and other relevant laws and regulations.
- 5.18 Matters pertaining to election or discharge of directors and supervisors, alteration of the Articles of Incorporation, reduction of capital, application for the approval of ceasing its status as a public company, approval of competing with the company by directors, surplus profit distributed in the form of new shares, reserve distributed in the form of new shares, dissolution, merger, spin-off, or any matters as set forth in Paragraph I, Article 185 of the Company Act, Article 26-1, Article 43-6 of the Securities and Exchange Act, Article 56-1 and Article 60-2 of the

Rules Governing the Offering and Issuance of Securities by Issuers shall be itemized in the causes or subjects to be described and the essential contents shall be explained in the notice to convene a meeting of shareholders. It shall not be brought up as extemporary motions; the essential contents may be posted on the website designated by the competent authority in charge of securities affairs or the company, and such website shall be indicated in the above notice.

Where the re-election of all directors and supervisors as well as their inauguration date is stated in the notice of the reasons for convening the shareholders meeting, after the completion of the re-election in said meeting, such inauguration date may not be altered by any extraordinary motion or otherwise in the same meeting.

5.19 A shareholder holding one percent or more of the total number of issued shares may submit to the Company a proposal for discussion at a regular shareholders meeting. The number of items so proposed is limited to one only, and no proposal containing more than one item will be included in the meeting agenda. A shareholder may propose a recommendation for urging the corporation to promote public interests or fulfill its social responsibilities, provided the number of items procedurally so proposed is limited only to one in accordance with Article 172-1 of the Company Act, and no proposal containing more than one item will be included in the meeting agenda. When the circumstances of any subparagraph of Article 172-1, paragraph 4 of the Company Act apply to a proposal put forward by a shareholder, the board of directors may exclude it from the agenda. A shareholder may propose a recommendation for urging the corporation to promote public interests or fulfill its social responsibilities, provided the number of items procedurally so proposed is limited only to one in accordance with Article 172-1 of the Company Act, and no proposal containing more than one item will be included in the meeting agenda. Prior to the book closure date before a regular shareholders meeting is held, the Company shall publicly announce its acceptance of shareholder proposals in writing or electronically, and the location and time period for their submission; the period for submission of shareholder proposals may not be less than 10 days.

Shareholder-submitted proposals are limited to 300 words, and no proposal containing more than 300 words will be included in the meeting agenda. The shareholder making the proposal shall be present in person or by proxy at the regular shareholders meeting and participate in the

proposal's discussion.

Prior to the date for issuance of notice of a shareholders meeting, the Company shall inform the shareholders who submitted proposals of the proposal screening results, and shall list in the meeting notice the proposals that conform to the provisions of this article. At the shareholders meeting, the board of directors shall explain the reasons for the exclusion of any shareholder proposals not included in the agenda.

5.20 Staff handling administrative affairs of a shareholders meeting shall wear identification cards or arm bands. The chairman may direct the proctors or security personnel to help maintain order at the meeting place. When proctors or security personnel help maintain order at the meeting place, they shall wear an identification card or armband bearing "Proctor." At the place of a shareholders meeting, if a shareholder attempts to speak through any device other than the public address equipment set up by the Company, the chairman may prevent the shareholder from so doing. When a shareholder violates the rules of procedure and defies the chairman's correction, obstructing the proceedings and refusing to heed calls to stop, the chairman may direct the proctors or security personnel

Supplementary provision

to escort the shareholder from the meeting.

The rules and any amendment shall take effect after being approved at the shareholders' meeting. Where any director expresses dissent and it is contained in the minutes or a written statement, the company shall submit the dissenting opinion to each supervisor and for discussion at the shareholders' meeting. The same shall apply to any amendments to the Procedures. Where the company has appointed independent directors, when it makes endorsements/guarantees for others, it shall take into full consideration the opinions of each independent director; independent directors' opinions specifically expressing assent or dissent and the reasons for dissent shall be included in the minutes of the board of directors' meeting.

Article 17 The Corporation may have one or more managers. Appointment and discharge and the remuneration of the managers shall be decided in

accordance with Article 29 of the Company Act.

Chapter 6 – Annual report and account

- Article 18 After the close of each fiscal year, the following reports shall be prepared by the Board of Directors, and submitted for approval of the regular shareholders' meeting:
 - 1. Business Report;
 - 2. Financial Statements;
 - 3. Proposal Concerning Appropriation of Net Profits or Covering of Losses.
- Article 19 If the Corporation has net profit of the year (the so-called earnings refer to the net income before tax and refer to the profit before deducting remuneration to employees), the Corporation shall set aside not less than 1% of profit as bonus to employees of this Corporation. The employee bonus will be decided by Board of Directors meeting to be provided by cash or Corporation shares. The employees who are entitled to receive cash or share bonuses in previous subsection shall include the employees of an affiliated company who satisfy required conditions. If the Corporation has net profit of the year, the Corporation shall set aside not higher than 3% of profit, which is subject to Board of Directors meeting, as bonus to Directors. Such employee and Directors bonus proposal shall be reported to Shareholders meeting. If Corporation has accumulated losses, the profit shall be used to cover the accumulated losses before distributing as employee and Directors bonus based on above ratio.
- Article 19-1 When allocating the net profits for each fiscal year, the Corporation shall first offset its losses in previous years and set aside a legal capital reserve at 10% of the profits left over, until the accumulated legal capital reserve has equaled the total capital of the Corporation. If there is a net profit after such practice, it shall be drafted as a net profit allocation proposal along with accumulated retained earnings of the year to shareholders meeting by Board of Director to decide shareholder bonus.

For the under-reported amount among "net deduction of other equity accumulated in the previous period", the Company's lawful provision of special surplus reserve shall start with the same amount of special surplus reserve from undistributed surplus for the previous period, followed by classifying net profit after tax for the period plus items other than the same into undistributed surplus for the period.

The shareholder dividend and bonus, legal reserve and capital reserve, by issuing new shares or cash prorata to the holdings of the stockholders, The following is to be observed. If cash dividend is issued, the board of the directors may do so with two thirds of members present with a majority vote and report to the stockholders' meeting. If that is done by issuing new shares, the distribution has to be done with the approval of the stockholders' meeting.

The dividends to shareholders may be distributed in cash or in stock. The dividend policy shall take into consideration factors such as the Company's current and future investment environment, needs for capital, domestic and overseas competition, capital budgeting plans, etc., to come out with a proposal that strike a balance among shareholders' benefits and the Company's long-term financial plans. An amount not less than 10% of the distributable earnings is appropriated annually as the shareholder dividend and bonus. However, the accumulated distributable earnings that are less than 10% of the paid-in capital may not be distributed and the cash dividends shall not be lower than 10% of total dividends to shareholders.
